108 High St, Boston

Close 

108 High 1968

From: Massachusetts Historical Commission Structural Survey
(Recorder, D R Knapton)

Number 108 High Street is a clapboard four story Federal house with a Greek revival entry door. It has a foundation of

cut stone which becomes a high basement on the north side, and a five bay main façade with a recessed center entrance. It has what is probably a very shallow hip roof.
