

## 22 Monument Square (1874)

From: Massachusetts Cultural Resource System Inventory of Historic Assets of the Commonwealth and National Register of Historic Places nominations for Massachusetts

From report for the Massachusetts historical commission,  
recorder DK, 6/68

Number 22 Monument Sq. is a large brick high Victorian Gothic house with and cut stone foundation. It has a mansard roof with intact slate. It has a three Bay Main façade with a second-floor oriole and the side hall has an oriole spanning first and second floors.
